

Bridal Registry

This service helps brides to choose the gifts they really like and need and eliminates the worry of unwanted and impractical gifts. It also eliminates possibility of getting redundant gifts.

You may print this form and fill it out at home. You can mail it, fax it, or email it to us, or drop it off in person. You can also come to the shop and try on items yourself. Our staff will note the exact styles and sizes and add them to your registry.

Fill out as much as you want to. The more you fill out, the better we can help make suggestions to your friends and family. We will never disclose your specific measurements to anybody!
